

Acceptable Trash Limits

Proper Curbside Cart Placement:

- Trash: (1) 95-gallon trash cart (Black Lid/Body) collected weekly
- Place carts at the curb (see picture) for collection prior to 7:00 am on service day
- To keep your curb clean and safe, Apex Waste strongly encourages getting all materials in the cart. Additional carts available upon request
- Bag trash contents / Recycling should be loose, unbagged
- Place carts at least 3' away from permanent structures (Ex: vehicles, mailboxes, light posts)
- Place cart with handles toward the curb.
- Self-owned carts must be ANSI compliant and work with automated tipping equipment (Example: Toter Brand at Lowes/Home Depot)
- Download our app or contact the office (303-841-7144) for questions regarding collection cycles or extra services.
- If trash exceeds max limits, please contact the office at 303-841-7144 to schedule special pick-up for extras. Additional charges will apply.

Max Set-out at Curb (allowable):

- Trash: 96 gallon cart and up to (3) extra trash bags or (3) tightly bound branches (cut to less than 3'w X 3'h X 3'l)
- We strongly encourage residents to avoid extras at the curb (if possible) to keep community clean and our drivers safe

NOT Acceptable Set-out at the Curb - Unserviceable
